

# North ALTA STOL & SHOW

## Fly-In / Observers

Contact: [info@peaceregionalairshow.com](mailto:info@peaceregionalairshow.com)

- 1) Attached is a schedule for the event. Note there is a NOTAM in place for the event and it applies to all planes. Fuel at a discounted price will be available to flyers for the 2 days of the event. Call Northern Air for fuel, 780-624-1911.  
→ **Please check the NOTAM CYPE for July 16-18 it is already online.**
  
- 2) Parking on arrival will be according to if you are camping or not. Please print the card that you need on the following pages and hold in your window to show the ground marshal, who will direct you to the appropriate parking area. Failure to show a card will have you directed to the GA Fly-in daily parking.  
→ **Don't forget, print the parking card you need**
  
- 3) After parking, GA Flyers need to go to the Airport Terminal to pay for their show admission (or show receipt to get the stamp) and they can then proceed through the static area. Those camping will be directed to the camping area where they will pay for show tickets and camping fee there (if already done, show receipts). You will then get a camping pass for your airplane to put on the window (somewhere visible).
  
- 4) GA & Campers are welcome to the social event on Saturday evening (Prize presentation). Event goes from 1700 to 1900. Please note the Saturday evening meal is provided at a low cost of \$10/person.
  
- 5) To plan for our volunteers, Nav Canada services and marshalls we would like to know your estimated arrival time.  
→ **Reply to this email with your call sign, estimated arrival time and date.**
